

ATTENTION PATIENTS AND VISITORS

New driveways into and out of the Air Rights Garage have opened, providing direct access to the Air Rights Garage from the Route 34 Connector. The new entrance is on the left-hand side of the connector when heading westbound on Route 34, into New Haven. The garage entrances located on both North (MLK Blvd.) and South Frontage Roads near the York Street intersection will remain open, as well as the one on York Street under the garage.
